The Run United HP Recovery Run is a non-competitive run designed to help progressive runners embrace the value of recovery and how its proper application can help them establish future personal records. It will be held on December 14, 2014 with 5km & 10km Recovery Runs & 21km Easy Long Run categories. All categories will have a start and finish at the 34th St. The Fort, BGC.

All finishers will learn more about the proper application of various recovery regimens at the Enervon HP Recovery Village. Each activity has been developed in partnership with the University of Santo Tomas, College of Rehabilitation Sciences, Sports Science and Physical Therapy Departments
